U.S. BANKRUPTCY COURT  
To: United States Bankruptcy Court  
Eastern District of Michigan, Southern Division

Hon. Steven W. Rhodes Re: Chapter 9 Case No. 13-53846

From: Mary W. Sugars, Retiree from City of Detroit

I writing this letter to object to the City of Detroit's petition to file for eligibility under Chapter 9 of the Bankruptcy Code.

The facts are as follows: I was employed by the City of Detroit on two separate occasions-

1. Licensed Practical Nurse - Detroit Receiving Hospital 1964-1971,
2. Registered Public Health Nurse - Detroit Health Dept 1975-84.

My Compensation included a guaranteed pension to which I made monetary contributions. My pension number was the same - 151820 for each term of employment.

I need my pension for basic human needs. Additionally, I'm 80 yrs. old with age related medical conditions. Therefore, I have to pay for medical Co-pays as well as for prescribed medications.

Please consider my situation as you approach this important matter. Thanks.
